February / March 2014

Jason Rose      Mike Rose      Rabbi Ed Rothman      Tov Rose

Dear Friend of Midwest,

Shalom! God has enabled us to begin our 75th year of ministry! Over the years we have used various means to pursue the mandate set up by the early leaders of this ministry; **"The dissemination of the Gospel of Jesus Christ among the Hebrew people."** In those early days, radio was a vital outreach to the Twin Cities. Rev. Earl Werner and Rev. V.L. Peterson, were used by God to broadcast the good news of salvation through Yeshua during the 1940's and 50's. Other radio initiatives have been used in more recent years.

Our new program; **"To The Jew First"** can now be heard each **Saturday morning at 10:00 am over KKMS – 980 on your AM dial.** Our program format is a 'magazine' approach, which features a number of segments in the half hour program which include; **"News from Israel,"** commentary given by Jason Rose; an Israeli citizen, giving the listener a Jewish perspective of Israeli news so often overlooked or ignored by the American media. Rabbi Ed Rothman does an **"Ask the Rabbi"** segment that answers questions often brought by Gentiles relative to Messianic topics. Other segments include testimonies by Jewish believers and musicians, information about Messianic ministries in and around the Twin Cities and pointers on how to witness to our Jewish friends. We have received good reports already on the program which began January 4<sup>th</sup>. We invite you to tune in each Saturday morning at 10:00 am. Podcasts of our program may also be heard by going to [www.kkms.com](http://www.kkms.com) clicking on 'podcasts' and selecting **"To The Jew First."** We are confident that our radio team; Jason, Mike, Tov and Rabbi Ed (Three Roses and a Rabbi) will delight you with their light banter, fascinating information and inspiration to bless your day. Tov serves as our radio director along with directing our Speaker's Bureau. (See information on page 2) If you have a question for **"Ask the Rabbi"** send it by e-mail, regular mail, or simply call Tov at 651-686-5600 or the Midwest office at 763-427-7162. **For anyone sending a financial gift of \$25 or more in support of our new radio ministry, we will send a copy of "The Messiah of the Tanach, Targums and Talmuds"** the much acclaimed book that reviews Old Testament Messianic prophecies, Jewish scholar comments of those verses, and New Testament verses which reveal the Old Testament prophecies fulfilled in Jesus. (Yeshua) A fascinating book, and a great witnessing tool!

**Another Opportunity** to share Yeshua is opening to us this spring as we join several other ministries in the launching of the "Gospel Café Outreach." This will be a coffee house ministry near the University of Minnesota / Minneapolis campus. We are looking forward to participating in this evangelistic outreach. Pray with us for a successful launch! We continue with the other aspects of our ministry; **Jewish witnessing materials, Jewish language tracts, Bibles for Israel / Jewish Scriptures and Bibles for Russian school children.** We are also helping to support an **Israeli missionary family** and the **Hope of Israel Messianic School in Tel Aviv.** We need your gift to help us support these outreaches. Can we count on you? Please use the enclosed reply card to designate your gift. Thank you! And may God abundantly bless you!

*For your gift of \$25 or more in support of our new radio ministry, we will send you a copy of "The Messiah of the Tanach, Targums and Talmuds"*

# Midwest Hebrew Ministries Speaker's Bureau

Midwest Hebrew Ministries Speaker's Bureau is an arm of our ministry which is responsible for developing church relationships; providing speakers to share in local congregations, special events, mission conferences, pulpit supply, chapel services, Sunday school classes or Bible study format. While there is a considerable amount of subjects in our library, here is a sample of messages that may be of interest to your group:

- **MESSIAH IN THE PASSOVER:** This unique celebration highlights how so many facets of the Passover outlined in Scripture, foreshadowed and were fulfilled by Jesus in His life, death and resurrection. It also illuminates the origin of the communion ceremony and deepens the understanding of this precious celebration. We are able to present this message in several different ways, including an actual Passover banquet with traditional Jewish foods
- **PERSONAL TESTIMONY:** Each of our speakers has a wonderful, engaging testimony of how the Lord brought them to salvation. We know that any of these stories of God's grace would be a blessing and encouragement to your church.
- **JEWISH EVANGELISM SEMINAR:** Do you know how to best share your faith with a Jewish person? We would love to equip you and your church to be more effective in sharing the Gospel with Jewish people, as well as any other person who needs to hear about the love of God.
- **THE CHURCH AND THE JEWISH PEOPLE:** This is a message that covers the text of Romans 9 and 11, explaining the relationship between the Body of Christ and the nation of Israel and how both are of importance to the other.
- **ISRAEL AND CURRENT EVENTS:** How should a Christian view the events in the Middle East? Who is to blame for all the strife and suffering? What should the Church's position be regarding the nation of Israel today? What is God's plan for Israel going forward? This engaging message is sure to challenge presuppositions and provoke further searching of God's Word.
- **THE FALL FEASTS OF ISRAEL:** This message teaches us about how the work and person of Messiah is foreshadowed and will be fulfilled in relation to these specific Biblical holidays:
  - ✓ **Rosh Hashanah** (Feast of Trumpets) signifies the beginning of the Jewish Civil year.
  - ✓ **Yom Kippur** (Day of Atonement) is the holiest day of the year for Jewish people.
  - ✓ **Sukkot** (Feast of Tabernacles/Booths) We celebrate God dwelling among His people as they wandered in the wilderness living in tents (booths).
- **ISRAEL AND PROPHECY:** What events are foretold of the nation of Israel and how will they play out on the world stage? Engage in an in depth study of the future of the Jewish people and God's plan for them in Scripture.

Have an idea for a topic that you don't see listed? Just contact us and we will let you know if one of our speakers is able to cover it. We would love to minister to your group!

If there are enough people to form a group we will move ahead with the planning and set the dates.
